Serie 20 - Profile - Rounded 20x20

Profile with base measures 20x20, with two of the corners rounded, so that the profile has a quarter-circle shape. T-slot on 2 sides.

Profile with base measures 20x20, with two of the corners rounded, so that the profile has a quarter-circle shape. There is T-slot on 2 sides, while the 2 other sides are completely flat rounded.

The profile is an easy choice for corners, where you do not need the outer tracks, or where sharp corners are undesirable.

We offer cutting of profiles to your desired dimensions. Follow this link
