Deutsch DT Crimp Tool in a Large Assortment Box

Complete set with crimp tool, 2 sets of jaws, extraction and insertions tool, and a selection of Deutsch terminals and connectors.

Complete set in a case, with Deutsch DT crimp tool, 2 sets of jaws, extraction and insertions tool, and a selection of Deutsch terminals and connectors.

The crimp tool and the two jaw sets are very high quality, which you can clearly feel when using them. The jaws / inserts are easily mounted and removed from the tool, because of the smart click-system, that is typically only seen in more expensive tools.

The box is made of sturdy plastic with simple slide-locks.
