Serie 30 - Euro-profile - 3030

Standard 3030 profile with 8mm slot. The profile is produced in EU. Compatible with our 3030 accessories.

Standard 3030 profile with 8mm slot. The profile is produced in EU.

The dimensions on the profile and track makes it compatible with all of our 3030 accessories.

The 6.8mm cross center makes it easy to cut M8 threads, as there are space for chips.

We offer cutting of profiles to your desired dimensions. Follow this link
