Serie 30 - Euro-profile - 3060

Strong 3060 profile with 2 tracks on one side. The profile is produced in EU. Compatible with all series 30 accessoires.

Strong 3060 profile with 2 tracks on one side. All tracks are 8 mm. The profile is produced in EU.

The profile is compatible with all series 30 accessoires.

The 6.8mm cross center makes it easy to cut M8 threads, as there are space for chips.

We offer cutting of profiles to your desired dimensions. Follow this link
