Stiholt mudflap - Big

The original, popular and bigger Stiholt mudflaps are available in different sizes for mounting on your truck.

The original and popular Stiholt mudflaps can not miss on a truck - and especially not on a Scania. They are available in 2 different and bigger sizes, which are for rear mounting. Both of them have Scania logo / Griffin in each side.

The sizes are 250 x 25cm and 240 x 38cm.

The mudflaps are sold individually.
