Serie 30 & 40 - Sliding and protection cover (32 x 4mm)

Flat plastic profile that fits in to series 30 and 40 profiles 8mm track, and which protects the surface from wear.

Flat plastic profile that fits into the 8mm grooves of Series 30 and 40 profiles, protecting the surface from wear.

The profile is secured with a rubber mallet or similar tool and stays firmly in place afterward. Note that the plastic profile is 32mm, which means it will protrude 1mm past the edge of a 3030 profile.
