Strands FOR9T Scale LED Position light

FOR9T Scale offers a stylish new look with invisible lights, easy to replace, and no reflector required.

FOR9T Scale creates a new look for your entire vehicle with front and rear position lights as well as side markers.

The stylish design of the position lights remains invisible in the prominent dark lens until activated.

Its standard size and 10-40 V DC compatibility make it easy to replace your vehicle's old position lights. The FOR9T Scale is supplied with a 5000 mm long cable.

Note that this variant does not include a reflector.

The housing is made of high-quality polycarbonate and is IP-rated IP67, so you can be sure that it will be a durable solution It is also E-approved according to ECE R148 (R7) and EMC certifie
