Strands FOR9T No-Glare LED work light 31W

Compact but powerful FOR9T 31W LED work light with anti-glare and built-in position light in Yellow or Red.

The FOR9T No-Glare 31 W work light is the smallest lamp in the No-Glare series. Like its larger counterpart, it features an eye-catching design and offers broad and powerful brightness, along with built-in position lights in red and yellow.

The light has an impressive 3600 lumens, 6500 kelvin, and illuminates with 1 lux at a distance of 48 meters. The No-Glare lens has a cut-off and softened upper part of the light beam, reducing glare.

A 15cm cable with a DT-4 connector combined with the 180° adjustable bracket makes installation easy.

Made with high-quality aluminum and polycarbonate, it will surely be a lasting addition to your vehicle. It operates at 10-48V DC and has an IP rating of IP69K. It is EMC-certified ECE R10.
