Book - Europe's Finest Trucks

The Trucker's Bible is here! Love chrome, power, and vehicles? "Europe's finest Trucks" is the ultimate book, filled with amazing trucks.

The Trucker's Bible has arrived!
Are you passionate about chrome, power, and massive vehicles?
Then "Europe's finest Trucks" is the ultimate book for you!

Filled with amazing pictures of the wildest trucks – dreams on wheels.

In addition to many pictures of each truck, there is also a story about the truck company's history, written in English and Dutch.

Perfect for those who love spotting, photographing – or just daydreaming about diesel and design.

"The perfect book for any truck spotter – whether you're by the roadside or dreaming from the couch."

The book is produced by Vincent Broer
