Stholt Sun glasses

Red Stiholt 75-year anniversary sun glasses. UV 400 protection.

This is something for the truly fast truckers and truck spotters out there! Red Stiholt sunglasses, made in celebration of their 75th anniversary.

The polarized lenses reduce glare and enhance visual clarity, making them perfect for driving, beach trips, or sports.

UV400 protection blocks 100% of harmful UVA and UVB rays, safeguarding your eyes from the sun's harmful effects.
