Strands FOR9T Illusion LED Tail lights 10-40V

E-approved Strands FOR9T Illusion tail lights with an exclusive dark design. Available in 4 different variants.

FOR9T Illusion is a new series of taillights with the unique FOR9T style, elevating them to a whole new level. The iconic FOR9T lines combined with the elegant dark lens provide a powerful and modern light expression that stands out on the road and fits perfectly on trucks and trailers.

The series is available in four variants, so you can find exactly the look that suits your vehicle:

- Tail / brake / and indicator light
- Reversing / and fog light
- Tail / and brake light
- Indicator light

Screws, nuts, and nylon washers are included in the package.

Illusion is compatible with both 12V and 24V systems. The installation is made easy with a 250cm long cable:

3-functions

Tail- / Stop- / Indicator light
SKU 24608190
Voltage: 10-40V
Current: Stop: 5W - Tail: 4,5W - Indicator: 6W
Consumption: 15,5W
Wirelength: 250cm
Work temperature: -30°C to +65°C
Dimensions: 46 x 110 x 115 x 133mm

Indicator light
SKU 24608193
Voltage: 10-40V
Consumption: 6W
Wirelength: 250cm
Work temperature: -30°C to +65°C
Dimensions: 46 x 110 x 115 x 133mm

Tail- / Stop light
SKU 24608191
Voltage: 10-40V
Current: Stop: 4,5W - Tail: 4W
Consumption: 8,5W
Wirelength: 250cm
Work temperature: -30°C to +65°C
Dimensions: 46 x 110 x 115 x 133mm

Reverse- / Fog light
SKU 24608192
Voltage: 10-40V
Current: Fog light: 6W - Tail: 5W
Consumption: 11W
Wirelength: 250cm
Work temperature: -30°C to +65°C
Dimensions: 46 x 110 x 115 x 133mm
