Iveco Daily LED DRL conversion kit (2020+)

Complete set of light sources that replace the original xenon-white light sources in Iveco Daily's daytime running lights.

Complete set of light sources that replace the original xenon-white light sources in Iveco Daily's daytime running lights. They are plug & play, as the boards have the same shape, and the connector is the same as the original, making installation quite simple.

Note that the light sources are not E-approved.
