Strands FOR9T Gravity LED Position light

FOR9T Gravity is a modern and versatile position light and side marker, designed in an elegant oval shape. Choose between yellow, red and white.

FOR9T Gravity is a modern and versatile position light and side marker, designed in an elegant oval shape with a distinctive visual expression. It is made from robust, corrosion-resistant materials that ensure long-lasting durability—even under demanding conditions.

Like all products in the FOR9T series, Gravity comes with Strands' 3-year functional warranty. The light is compatible with a wide range of vehicles, as it can be powered by anything from 10–40 V DC.

The 2.5-meter cable provides flexible installation options without the need for additional cable splicing. The light can be easily surface-mounted, or mounted using the included angle bracket.

FOR9T Gravity is E-approved according to R148 and is available in white, red, and amber.

It pairs perfectly with other products in the FOR9T series, where functionality, advanced technology, and eye-catching design come together in a truly unique solution.
