Prolumo Work OVAL 45W - LED worklamp, 10-30V

Powerful oval worklamp with 9 high-power LEDs. Elegant black design with multiple mounting options. Wide viewangle.

Powerful oval LED work lamp with 9 high-power LEDs. Aluminum housing with robust powder coating and stainless steel brackets. The light color is 5700K, and the optics at 90 degrees provide a good and wide light distribution.

The work lamp is not approved for a specific purpose but can be used as work lighting.

The lamp has built-in thermal control, which reduces the brightness in case of component overheating. This provides the best combination of brightness and durability.

At its highest, it outputs 4119 effective lumens, reducing to 2722 effective lumens at its lowest.
