H9 Osram Night Breaker LED kit, 2 pack, E-approved

E-approved H10 LED headlight kit for cars from Osram for legal use on public roads.

NIGHT BREAKER LED SMART – Bright and innovative fog light bulbs from OSRAM
The NIGHT BREAKER LED SMART bulbs from OSRAM offer exceptionally bright light, a compact design, and an exceptionally long lifespan – all with traffic approval1). They enable easy conversion from conventional halogen bulbs to advanced LED technology.

*In the overview HERE you can see OSRAM's list of approved vehicles for LED bulbs. During the next periodic inspection, you can advantageously have the bulbs registered in the vehicle's documents as a constructive modification.

The kits are complete with 2 pieces LED light sources and suitable connectors/wiring to replace the original light sources. For cars with bulb monitoring, it is also possible to purchase Canbus kits for 12V.

These bulbs are the perfect complement to already installed NIGHT BREAKER LED or HID bulbs from OSRAM and offer an ideal combination for a comprehensive LED lighting upgrade. They set new standards for innovation, precision, versatility, and functionality.

NIGHT BREAKER LED SMART bulbs produce a modern, bright white light with a color temperature of up to 6000 Kelvin. They offer a wider light beam than conventional halogen bulbs and provide cool white light where needed.

Thanks to the latest LED technology, they consume up to 80% less energy and have a lifespan that is up to six times longer2). The vibration-resistant design and IP54 certification ensure reliability and durability, even under demanding conditions.

Upgrade your vehicle now with NIGHT BREAKER LED SMART lamps, and experience revolutionary brightness with traffic approval1). OSRAM also offers a dedicated warranty on all NIGHT BREAKER LED lamps3.

Color temperature: Up to 6000 Kelvin
Energy savings: Up to 80%
Lifespan: Up to 6 times longer2)
IP54 certified: Protection against water and dust
1) Complies with applicable traffic regulations.
2) Compared to standard halogen lamps.
