Sejer & Sønnichsen Torpedo Softshell vest

Softshell vest with Sejer & Sønnichsen logo and Torpedo back design. Available in adult sizes up to XL.

Softshell vest from ID featuring the Sejer & Sønnichsen logo on the chest and a large print across the back with their Torpedo and 143. Excellent quality and available in sizes ranging from Small to XL.

The vest features a zipper closure and is made from durable, stretchable material. It has two spacious and functional side pockets, along with elastic at the bottom hem and armholes for a comfortable fit.

The vest is windproof, water-resistant, and breathable at the same time. The high collar provides effective protection against wind and weather.
