Prolumo SuperFlat GEN. 2 R65-approved LED strobe light

Flat LED strobe light, E-approved, flexible mounting, legal on roads, includes mounting kit.

Extremely flat LED strobe light, E-approved as a strobe.

With its ultra-flat design, it can be placed in many locations where it is nearly invisible. The mounting becomes extra flexible thanks to the pivoting bracket.

The strobe light is E-approved and thus legal on public roads, and it is additionally R10-compliant (radio interference).

The package includes brackets, bolts, washers, and nuts for mounting.
