Round LED Tail Lamp, 12V-24V

Nice LED tail lamp with 30 bright LEDs in 3 different models. ECE approved with a 7-years waranty.

Nice LED tail lamp with 30 bright LEDs in 3 different models, which together cover all your needs of the tail light of your truck and/or trailer.

The lamps are completely waterproof and can be completely immersed under water (IP67). They are also protected against vibrations and impacts, because of the hardened acrylic glass covering the lamp. The manufacturer issues a 7-years warranty.

The lamps are ECE and EMC approved.
