A nice anodized U-profile alu-rail for do-it-yourselfers light with our powerful SMD tape. It is easily being mounted with the included accessories.

A nice anodized U-profile alu-rail for do-it-yourselfers light with our powerful SMD tape. SMD-tape is being glued at the bottom, after which the rail is ready for use.

We have large selection of appropriate accessories, such as mounting brackets, end caps and plastic-fronts.

The alu rails are sold in whole metres. If you buy 2, you get two 1-metre rails.

We can also supply alu profiles with stripes mounted, ready for use. Contact us for more information.
