Matronics Prostrobe Flex

A flexible and waterproof lamp designed to mark the stand, but can be used anywhere on vehicles and machines.

A flexible and waterproof lamp designed to mark the stand, but can be used anywhere on vehicles and machines. A simple and tool-free mounting with two cable ties that ensure a stable mounting.

There is a standard M8 connector on the cable that can easily be cut off. There is a 75mm cable.

Extra strong and long cable-ties are included with measurements: 7,5mm x 1.8mm x 610mm. Just slide the cable-ties in to the sides of the stripe, whereafter they are tightened around the item that needs marking.

There is no flash controller included !
