LED Interior Lamp with a Switch

A nice interior-lamp with a build-in switch that can be used inside cars, trucks and campers.

A nice interior-lamp with a build-in switch that can be used inside cars, trucks and campers. The lamp is very slim, only 16mm, so it can be mounted almost everywhere.

The included rubber-base can be used when it needs to be mounted directly on a metal. There is a 40cm wire.

3W, 200 lumen. The color is 6000K.

Length measured from middle hole to middle hole.
