LED coloured strip lamp, tail light

An amazingly compact LED 'stripe' tail light with a rear, a brake and an indicator light. ECE approved and has a 5-years waranty.

An amazingly compact LED 'stripe' tail light with a rear, a brake and an indicator light. There are 10 LEDs: 5 on one side for the running light and the braking light and another 5 for the indicator light.

The lamp is designed for recessed mounting (cut out 203x19) or surface mounting using one of the frames, available in black, chrome and white.

The lamp is completely waterproof (IP67) and protected against impacts and vibrations. Because of this the manufacturer issues a 5-years waranty.

The lamp is ECE and EMC approved.
