Blue LED spot-light for forklift

A bright LED lamp with a bright blue spot-light that is available in 3 models, dot, line and arrow, which gives a clear mark on the floor by the forklift truck.

A bright LED lamp with a bright blue spot-light that, depending on the choosen mode, makes a visible bright blue spot on the floor, close to the truck. The spot increases the visibility of the truck, when it drives around your warehouse. The purpose is to avoid accidents around corners, for example. The visual indication on the floor is an advantage when it is mounted on a silent truck or where the employees use hearing protection.

The lamp is mounted on the top of the truck with the included bracket.

Dot - 10-110V
SKU 24608850
Voltage: 10-110V
Material, housing: Cast aluminium, powder coated
Material, lense: Polycarbonate
Light: 100.000 kelvin, 541 lumen
Dimensions: 60 x 61 x 92mm

Line - 9-80V
SKU 24608851
Voltage: DC 9-80V
Material, housing: Cast aluminium, powder coated
Material, lense: Polycarbonate
LEDs: 2 x 3W
Certificate: ECE R10, CE
Temperature: -30 to 60 degrees
Dimensions: 46 x 56 x 76mm

Arrow - 9-80V
SKU 24608852
Voltage: DC 9-80V
Material, housing: Cast aluminium, powder coated
Material, lense: Polycarbonate
LEDs: 3 x 3W
Certificate: ECE R10, CE
Temperature: -30 to 60 degrees
Dimensions: 80 x 123 x 90mm
