The standard series 20 profile, with the dimensions 20 x 20mm. Small but still very sturdy profile, usable for many purposes.

The standard series 20 profile, with the dimensions 20 x 20mm. Small but still very sturdy profile, usable for many purposes.

The profile has a 6mm track / slot, which is important when choosing nuts and acessories.

The profile is sold in whole lenghts of 3 meter, and cut up in to 2m and 1m for cheaper shipping. You can easily cut these profiles up in smaller lenghts and angles, using a circular saw or similar.

We offer cutting of profiles to your desired dimensions. Follow this link
