Serie 40 - Profile - 1640

Alu profile in series 40, with 16mm height and one 8mm slot. Can be used for lids and other purposes, that only require one track.

Alu profile in series 40, with 16mm height and one 8mm slot. Can be used for lids and other purposes, that only require one track.

The profile is almost massive, with only the track and 2 holes in the sides. It can still be cut with a circular or band saw. You can cut threads in the holes.

We offer cutting of profiles to your desired dimensions. Follow this link
