Serie 30 - Profile - 3060

Strong alu-profile with basis dimensions 30x60mm, with two tracks on one side, and one on the other.

Strong alu-profile with basis dimensions 30x60mm, with two tracks on one side, and one on the other. The double width compared to the standard profile makes it extra useful for primary posts in constructions, or when you need two parallel tracks.

We offer cutting of profiles to your desired dimensions. Follow this link
