PROCAR Cigarplug with switch and screw terminals - With fuse

Cigar-plug with built in switch. Easy connection with screwterminals. With 8A fuse.

Cigar-plug with built in switch. Easy connection with screwterminals. With 8A fuse.

Fits both standard cigar plug and the new mini plug (DIN 4165)

The special base makes it possible to turn the base, so that it becomes a 180 degree plug.
