H11 12V Osram Cool Blue Boost 75W 2 pack

H11 halogen bulb in Osram's newly developed Cool Blue Boost series that light with a 'hyper' white light, color temperature of 5500K.

Are you looking for a blue light, without compromise on brightness, we have the perfect bulb for you! Benefit from the best of both worlds with this bright H11 bulb from Osram, with up to 5500 kelvin.

Due to the bulb's high watt-output, you have to be awere that the bulb becomes very hot, and shortened the lifetime compared to standard halogen-bulbs.

We disclaim all liability for any damage caused to the lamp housing and other surrounding parts

The bulb is NOT ECE-approved.
