Tec7 glue / sealant in 5ml syringe

Standard Tec7 glue and sealant filled in to a 5ml syringe. Perfect for the small tasks. Dosing is miuch easier with the small tip.

Standard black Tec7 glue and sealant filled in to a 5ml syringe. Perfect for the small tasks. Dosing is much easier with the small tip.

A cap for the syringe is included, so that the content can be used over several times.

Notice that this is not a official Tec7 product, we fill the syringes ourselves.
