Double-burner - BA15S socket, 2 pack

Double-burners in many different types, that is perfect for extra light in the front of your truck, and gives an old-school look.

Sold in sets of 2 lamps.

Double-burners are available in many different types; Orange, white, red, yellow, smoked, smoked orange, orange/red, and white/red. They are perfect for extra light in the front of the truck, giving an old-school look.

Each lamp has 2 BA15S sockets, where you can mount many different types of BA15S bulbs in the desired colors. Bulbs are NOT included in the lamps, but we recommend our series of BA15S with 9 x SMD LED Bulbs that fit perfectly and can be used for both 12V and 24V.

Included gasket, bolt, and o-ring for mounting
