H4 12V Night Breaker Laser Next gen. 60/55W, 150%, 2 pack

Extra powerful H4 bulbs from Osram Night Breaker Laser Next gen. series that gives up to 150% more and 150 meters longer light than standard.

Very powerful H4 bulbs from OSRAM, who have developed a new and updated version of the Night Breaker Laser series called, Night Breaker Laser - Next Generation. The bulbs emit light using an innovative laser ablution technology up to 150% brighter compared to the weakest standard. In addition to that, it can provide an extra 150 meters compared to the standard. The bulb window is cut with an ultra-precise laser.

Compared to standard bulbs, the window in the blue filter is precisely cut (burnt off), which can be clearly seen on the sloping edges. This is not possible using standard production methods.
