# WAS LED NEON Position lamp for Scania sunvisor

LED sunvisor positioning lights, so that you do not see the individual LEDs, but gives a diffused light. Available in xenon-white and yellow / orange.

WAS NEON LED sunvisor positioning lights, that gives your Scania 4-series a "Next Generation" look from the S-model, and you do not see the individual LEDs, but gives a diffused light

The lamps are available in fiber optics with LED xenon-white or yellow / orange and fit directly into the Scania P / G / R / T and 4 series with original cable wiring - plug 'n' play.

The lamps are E-approved.
