Avide LED RGB Light Stripe 2m incl. RGB controller til USB

Avide LED RGB light stripe on 2m with a USB-plug, so that you can connect it directly to fx a computer or car.

Avide LED light stripe that measures 2 meters and gives you an easy and comfortable connection with the built-in USB-plug. That makes the installation very easy since you only have to connect the LED stripe directly to a 5V USB-port on fx a computer, car, etc.

3M double side tape on the backside of the stripe makes for an easy installation. Furthermore, you can control the light stripe with the built-in controller where you can control colors, modes, speed, and brightness.
