T-track guide-rail system - Small T-bolts

T-Bolts that fit into the smaller tracks that are in the fence profile, and in the bottom of the profile with measuring tape.

T-Bolts that fit into the mini-profile and the smaller tracks that are in the fence profile, and in the bottom of the profile with measuring tape.

For the fence profile, you can use these for mounting endstop and fixtures, while they can be used to fasten the measuring tape profile.
