Serie 30 - Profile - Rounded 60x60

Series 30 corner profile with 60mm sides, with one corner rounded. The profile is intended for corners and edges

Series 30 corner profile with 60mm sides, with one corner rounded. The profile is intended for corners and edges, where a nice finish is wanted or a sharp edge is unwanted.

There are 6 x series 30 tracks in the profile, and 3 x 6.8mm holes that can be cut up to M8 thread. The holes can be used for feet and wheels.

We offer cutting of profiles to your desired dimensions. Follow this link
